Dear Colleague,

Thank you for your interest in the Family Office Database.

Family Office Databases

I'd like to share a little about us. FamilyOfficeDatabases.com and the Family Offices Database is sponsored by the Family Office Club, the world's largest networking association of family office professionals with over 165,000 members around the world. Our firm speaks at industry events, publishes monthly articles on the family office industry, has written the most popular book on family offices. The Single-Family Office book and runs the #1 most popular educational website on family offices as well FamilyOffices.com.

Our database contains 27,000 entries and is the most accurate in the industry. Every single listing in our database has been confirmed through a phone call, email, or through the online verification within the last 5 months. **Our accuracy is guaranteed. Our firm has served over 5,000 clients since founded.** The Family Office Databases is owned and run by Family Office Club. **Our company is registered with the state of Florida and has two offices on in Florida & Arizona.**

Family Office Database: We provide the contact details of all types of investors and family office wealth management firms within our Excel-based database. **Our team of experienced family office and capital raising professionals offer the most accurate and continuously updated database in the family office industry.**

4X Risk Free Database Quality Guarantee: We guarantee that our data is accurate. We are the only database provider to offer a 4x per-listing refund for any contact you find in our database that is not accurate or in fact a family office. For example, if 10% of the database is incorrect or outdated, you receive 40% of your money back. This takes the risk of bad data off of you and puts it back on our team. Where it should be.

Family Office Industry Leaders: We are the only family office data provider to both run a family office association, advise on billions of dollars of family assets, and act as CEO of a \$300M Single Family Office. Nobody else providing family office databases works in the industry day-to-day. **This is what we live and breathe, and that is why we stand behind our guarantee. Our data is accurate & freshly updated.**

Sincerely,

RICHARD C. WILSON
